JOIN THE
McMILLAN EXPRESS

Our commitment this year to our Fraternal Order will be one that will be something special in memory of our departed Brother Gary McMillan. We all wish he could have had his term as Provincial President, just as we wish that Sister Bev would have had a chance at hers. It is my humble honor to stand in Gary's place and work for his causes, as we all will.

Thanks to all the Provincial Officers, Past Presidents, Officers, Committee Members and, most of all, the volunteers in what we all hope will be a great year for our fraternity. I extend my greatest thanks to PPPs Michael Wilson and Marty Kennelly for their home-zone visitations on behalf of Gary in the coming year. His causes and dreams will come true due in great part to these Brothers, and due to all of you.

I look forward to all of your active service, advice, best wishes and support over the term. If we all work together our combined efforts will help us achieve wonderful things this upcoming year. I wish Sister Marilyn every success this year. She has represented Sister Bev wonderfully, and now in her own year, I have every confidence she will have an even greater year, with the help of her Sisters and Brothers.

Be kind to each other, and love what you're doing – your work helps an enormous number of people.

2019 ~ 2020

BC PROVINCIAL PRESIDENT

JOSEPH MILLETTE

for

GARY McMILLAN

Address: #21-12868-229th Street

Maple Ridge, BC V2X 6R1

Phone: 604-621-1946

E-mail: njmillette@gmail.com

**“...Love and Remembrance, for you
our absent Brother...”**

***Gary Lauchie McMillan
(1950-2018)***

“Gary was a friend, and a great Eagle...no, that is not right: Gary was a great Brother Eagle who should have been our next Provincial President who, I am sure, would have helmed this province with outstanding Leadership and Guidance. I will miss his quiet but steady approach to every task that was presented to him and his strong determination to overcome all obstacles.

Gary was a great person and we will all miss him. Rest in peace, Brother, and I will someday see you in the Grand Aerie over there.”

-- David R. Smith, Grand Worthy Vice President

Provincial Charity Committee Chairman Responsibilities

- Write to (or email) each Aerie Secretary & President advising them that you are the Chairman and are requesting a contact person in the Aerie for your charity. If you don't get a response in a few weeks, get back to them by phone and request the information again.
- Write to (or email) the Local Aerie contact person and ask them what events they are planning to support the charity and asking if there is any information, etc. that you can provide them. As with the Secretary and President, follow up in a timely manner if you get no response. Refer them to the website for examples of events that others have run in the past for charities.
- At least every 3 months, get in touch with the contact personnel again and see how they are coming along with their efforts.
- Keep track of all postal and stationary costs and send receipts to the Provincial Secretary for reimbursement (which will take place no more often than on a quarterly basis).
- At least a month before the next Provincial Convention, compile a grand total of the funds raised for your charity from each Aerie and prepare a report to be delivered on the floor of the Convention.
- Submit your final total to the Provincial Charities Coordinator by May 15th before Convention so he can complete his aggregate report for presentation to the Convention floor.
