2019 - 2020

**MAKE WAY FOR CHANGE**

I am pleased to introduce myself as a 46 year member of the Fraternal Order of Eagles Ladies Auxiliary. I am semi-retired, working part-time, doing what I enjoy most dealing with people. I am married and have 2 adult children and 5 grandchildren and 1 great-grandson. I joined the LA in 1972 and became immediately involved going through the chairs and being on the drill team. I went on the Provincial Board as Treasurer and after a few years decided to go through the chairs. I come from a long family history of Eagle members. One of my passions is ritual. I have competed both locally, Provincial and at Grand. I have also competed in the One Woman Ritual and still continue to compete whenever I can. I feel that Eagles Ritual Ceremonies is the only thing that makes us different from any other organization. I am truly proud of the work we do as the Fraternal Order of Eagles, People helping People.

My presidential motto for 2019-20 is Change; as an organization that needs succession, we must strive to make change for our current members and new members alike. Don't be afraid to try something new, no matter how small or big it may be. It might just make the difference of where your club may be down the road! Make way for CHANGE, Save CHANGE for Charity & Change for growth are all part of your mission this year. I look forward to working with you all this year and am excited for what's to come.

who have supported me over the past years wouldn't be here without you. To all the sisters who are serving on committees without you I couldn't do this. Thank you to the Past Provincial Madam Presidents who have guided me and helped me get everything together for the coming year. But most of all Thank you to the Campbell River Sisters and Brothers for their support, without you I would not be here to

It is an honor to serve as the BC Provincial  
Madam President

Sincerely,  
Marilyn Lewis
