Presidents Message

My Brothers.

First of all, I would like to congratulate Brother Joey Lasaga on his year, he has done us proud.

I personally would like to thank everyone who has supported me on this journey to be your Provincial President. I am looking forward to a great and successful year, with the support of the Provincial officers and committee chairmen.

I would like to thank all Past Provincial Presidents for your guidance and knowledge that you have given me. (Your job is not done I still will be asking for advice!)

I am looking forward on Visiting your Aeries and seeing and meeting new Brothers and Sisters.

My Charity this year is Camp Goodtimes. Where Kids with Cancer can go camping. Finally remember we are People helping People and let's have some fun this year.
