Presidents Message

Congratulations to Fay Cook WMP, and to the fantastic jobs our PWP Steve Welcher and PMP Bobbi Williamson, did the last term. As well I want to thank all the people that helped me and still, continue to help me, they know who they are. Some Brothers and Sisters do not realize that they have mentored me, I thank them as well.

When on the hunt for new members, you should look in various places. The grocery stores, in the mall, sports functions. It seems that after COVID people want to talk, listen to them, tell them of your Aerie and what they do, invite them to come see for themselves. If they want to join, sign them up. Help them through the interview, and the initiation. Then continue to look after them. Phone and remind them of meetings, or bring them to meetings, involve them in functions and fun events.

Invite them to Ritual practice at first as a spectator, then a fill in if short. Build their interest, then when ready ask them if they would like to take a Officer position.

I want to get our Ritual back on track, as it tells us our history and how we as Eagles should conduct ourselves in life.

Many, times I have gone to our Ritual to confirm I am making the right discission.

I am trying to get some ritual judging courses going.

I well be visiting all Aeries and talking to all that want to talk, hopefully getting new ideas, and hearing of all successes, giving advise where I can, or getting answers if needed.

Another goal is to get our website improved.
